University of Gafsa
University of Jendouba
University of Kairouan
University of Monastir
University of Sfax
University of Sousse
University of Tunis

AlmaLaurea Interuniversity Consortium
University of Cyprus
University of Granada
University of Naples Federico II
Mediterranean Universities Union - UNIMED

Associated partners: CONECT, University Ez-Zitouna, La Manouba University, University Tunis el Manar, Virtual University of Tunis, 24 ISET, ONEQ

Beneficiaries

The 5 pillars of the project

Survey on
graduates' profile

Survey on
graduates' employment
condition

Web platform matching
demand for and supply of
graduates' labour

Training of university staff on
graduates' career development
and on how to bridge the gap with
the socioeconomic environment

Dissemination activities addressed to students,
firms and university staff

Main results achieved

- **Survey** reports on 2017, 2018, 2019 **graduates' profile** (8.749 students involved)

Assessment of universities' internal efficiency

- **Survey** report on 2016 **graduates' employment condition** at 3 years from graduation (5.079 graduates involved)

Assessment of universities' external efficiency

Main results achieved

- **Web platform** matching supply for and demand of graduates' labour:

www.tuned.rnu.tn

Boosting graduates' employability
Orienting students and their families

26.876
registered students

94.696 CV
downloaded

118
registered firms

18
job offers published

142
candidatures
sent

Academic supply and
surveys data
available online

Main results achieved

Project website

www.tuned-project.eu

55 Local dissemination seminars

29 for students, 14 for firms, 12 to students' officers

5 National dissemination conferences

Brochures, leaflets

Promotional video

Main results achieved

- Training handbook for liaison officers with socioeconomic environment

Guiding graduates' career
Bridging the gap between universities and firms

- Sustainability plan

Building up the Network of Tunisian University Observatories
Integrating all Tunisian universities into the system
Ensuring the improvement of project achievements

Impact

Project ownership ensured

Knowledge sharing reinforced

Networking with socioeconomic environment strengthened

Results-based management improved

Training skills enriched

Students' empowerment established

Graduates' employability boosted

Recruitment process modernized

Long-term commitment secured

Lessons learned & hints

Get focused on sustainability since the very beginning

Be driven by anticipation

Stay open to adjustments and synergies

Foster empowerment and ownership

Set the framework but be flexible as far as possible

Feel empathy, build trust and credibility

Share your resourcefulness

Lessons learned & hints

motivation
is what gets you started.

commitment
is what keeps you going.
